

ISNT IT A SHAME

© D. Higgins, D. Carter & M. Carter 2019

If we took flight in love
Gave war a resting place
Would you still need to search for peace?

If flowers never died
Kingdoms stood the test of time
Would we have enough to be satisfied?

Chorus:

Isn't It A Shame, Isn't It A Shame
We're so quick to blame, So quick to judge
Isn't It A Shame, Isn't It A Shame
It'd be much better if we loved

If your bridge is falling down
You get lost in the crowd
Do you choose to move or stay where you are?

A heart you thought was yours
Left you stranded on the shore
Was it real or was it all in your mind?

Chorus:

Isn't It A Shame, Isn't It A Shame
We're so quick to blame, So quick to judge
Isn't It A Shame, Isn't It A Shame
It'd be much better if we loved

If hunger never came
Money fell like pouring rain
Would it be enough to say we're doing fine

The four winds still blow
Should we worry where they go?
Imagine if we lived just for today

Chorus:

Isn't It A Shame, Isn't It A Shame
We're so quick to blame, So quick to judge
Isn't It A Shame, Isn't It A Shame
How long till we know we have enough?
Wouldn't it be better if we loved
Isn't It A Shame
Isn't It A Shame
